WWW.MAGADHHANDTOOLS.COM

42 Years

MAGADH HAND TOOLS started its operations in India in the year 1979. We have been since, consistently manufacturing top quality hand tools for over 4 decades now. We have made our mark in the Manufacturing Sector including Automotive, Retail, Agriculture, Construction and many more.

WHAT MAKES US DIFFERENT

CUTTING-EDGE TECHNOLOGY

Magadh Hand Tools research and development wing ensures that we constantly upgrade and introduce products suited to the current market trends, infused with latest technology, matching the highest of international standards.

ON-TIME DELIVERY

Our focus on product quality and customer satisfaction ensures timely delivery of orders across India. From order processing till the time it has been delivered, our team is constantly in touch with you for any assistance needed.

STATE OF THE ART MANUFACTURING FACILITY

Magadh Hand Tools production unit is located in Jaipur, Rajasthan. The entire production facility has been housed under one roof containing manufacturing, development & research with the best in class facility.

SELLING ACROSS INDIA

Magadh Hand Tools is a pioneer in quality hand tools with over 300 dealers across India. You can also conveniently place your order online through our dealer order form.

PLIERS

COMBINATION PLIERS

MG01

- o With gripping zones for flat and round material, suitable for versatile use
- o Jaws & cutting edges are Induction Hardened & Tempered- Glazed Finish
- o Long cutting edges for thicker cables
- o Anti-Rust Protected
- o Cutting edges hardness approx. 50-62 HRC
- o Chrome vanadium heavy-duty steel, drop forged
- o Cellulose Acetate Sleeves
- o Generally Conforming to IS : 3650-1981

Part Code	Description	Size	SBP	MCB	Price/Pcs.
